A2 READ A CARD

ON THE CARD	WHAT IT MEANS
Photo, logo, list	What the place is like and what they sell, price level, tags (e.g. “Family friendly”) and languages spoken.
★ HÝSA RECOMMENDS	Our top pick in that category. Shown first.
THIS WEEK	An extra offer for a limited time, with the end date.
★ 4.6 (210+ reviews) Google	The place's rating on Google. Tap See reviews on Google to read the reviews on Google Maps.
Open now · until 22:00	Whether the place is open right now. The partners are shown first: the map on the left and a short list on the right (on phones the map is above the list). Each row shows at once what the place is (coloured label), your cashback in green, whether it is open now (green dot), this week's offer, and – when the place has told us – if there are tables or seats free today or only a few left. Tap a place in the list to open its full card and see it on the map. Tap Map to hide or show the map. Use Open now and Nearest first to filter. On the map each colour is a category, and your Hýsa home is the black house. Partners in other countries: choose the country at the top (only countries with partners are shown, and the page always opens on the Faroe Islands unless your booking is in another country).
1.2 km from your stay	How far the place is from your Hýsa home (or from you, after you tap Nearest first).
Ideas for today	At the top: ready-made plans for the day, such as a boat trip, lunch and dinner close by. Each plan has a small map with the stops numbered in order, and Route in Google Maps opens the whole route on your phone. Tap a place to see its card. New ideas every day.
What's on	The big events of the year (Ólavsøka, G! Festival, Summarfestivalurin ...) and everything on in the next 7 days, from Visit Faroe Islands, with a map: gold stars are the big events, purple dots this week. Tap a pin for Directions in Google Maps, or tap an event to open its page: a description, the place on a map, good places nearby and – when Hýsa has an agreement with the organiser – Buy tickets or book , with cashback for Hýsa guests.
#2 this week · Season May–Sep · Book ahead	Among the 10 places guests opened most this week (see Top 10 this week) · only open in those months, outside them “Closed for the season” · book before you go.
Website, phone, address	Tap to open the website, call, or find it on the map.
Hýsa guest benefit	What you get back, for example “5% back on what you spend”.
1. Online	How it works when you book on the website. Usually automatic cashback. Sometimes a code instead (see A3).
2. In the shop	Pay the normal price, then send us a photo of the receipt.
VISIT & BOOK ONLINE	Opens the business website through Hýsa, so we can see your booking.

A3 BOOKING ONLINE

- 1 Tap **VISIT & BOOK ONLINE** on the card. Always use this button, do not search for the business yourself.
- 2 Book or buy on the website as usual, at the normal price.
- 3 Use the **same email** as for your Hýsa booking. That is how we find you for the cashback.
- 4 That's it. We see the booking automatically and send you the cashback.

A card with a code

Some businesses give you a discount code instead. Tap **COPY CODE**, then paste the code at checkout. You get the discount right away, so there is no cashback on that booking.

Come back later? No problem.

If you open the website through the guide and book later on the same phone and browser, it still counts for 30 days. Safari only remembers for 7 days, so it is safest to open the website from the guide every time.

When do I get the cashback?

We send it to a payment card you choose, once the business has paid us for the sale. That is usually **1–3 weeks**. After sending the receipt, tap

ADD YOUR CARD and type the card details on our payment provider's secure page (Frisbii) – Hýsa never sees your card number, and nothing is charged. We email you when the money is sent. **Your bank may charge a small fee for receiving the payment.**

A 4 BUYING IN THE SHOP: SEND YOUR RECEIPT

For restaurants, shops, workshops and tours you pay on the spot. There is nothing to show at the till. Pay the normal price, keep the receipt and send it to us afterwards.

Tip: save a cashback code first

On the card, tap **SAVE CASHBACK CODE**. You get a personal code (e.g. HY-8BGMDG) for that place, on screen and by email, and can download it as an image. After you have paid, open the link in the email or tap **SEND RECEIPT** under “Your cashback codes”: your name and email are filled in, you only add the amount and a photo. The code works for several purchases for 30 days. If you forget, we send you one reminder.

- 1 On the card, tap **UPLOAD RECEIPT**. Or scroll to the bottom of the guide and tap **SEND A RECEIPT**.
- 2 Choose **where you bought**. The blue box shows how much you get back.
- 3 Check the **date** and type the **amount you paid, incl. VAT**, exactly as on the receipt.
- 4 Type your name and the **email you booked your Hýsa stay with**.
- 5 Tap **Add a photo of the receipt** and take a picture. The whole receipt must be readable.
- 6 Tap **SEND RECEIPT**. You see “Thank you” and get an email.

The business is told about the purchase and has 3 days to say if something is wrong. When the business has paid us, you get the cashback on your card.

QUESTIONS GUESTS ASK

QUESTION	ANSWER
Can I keep the guide on my phone?	Yes. On your phone you are offered “Keep this guide on your phone”. It then opens like an app, straight on your own link.
Can I read the page in my language?	Yes. Tap  at the bottom right. Føroyskt, Dansk, English, Español, Français and 中文 are translated by Hýsa; more than 100 other languages are translated automatically. It usually switches to your phone's language by itself.
Cashback or a discount on my next stay?	As standard you get a discount on your next stay booked directly at hysa.fo : the cashback plus 20%, valid 16 months. It is saved on your email – book with the same email and it is deducted automatically from your payment link. Prefer the money on your card? Choose it when you send the receipt, or via the link in our email.
I have no link from Hýsa.	Anyone can book through the guest page. Fill in Create your free guest profile : with your booking code you get the guest benefits at once; otherwise when Hýsa has confirmed your stay. Your personal link comes by email.
Does it cost anything?	No. The guide and the cashback are free. You always pay the business's normal price.
Who pays the cashback?	Hýsa does, out of the commission the business pays us. The business does nothing.
Do I need to tell the staff I am a Hýsa guest?	No. Just pay as usual and send us the receipt.
I forgot to send the receipt.	Send it as soon as you can, also after you have gone home. Use the same email as your Hýsa booking.
Can I send one receipt twice?	No. We recognise the same receipt and photo and count it once. Receipts must be at most 60 days old.
What do you use my details for?	Only to confirm the purchase with the business and to pay your cashback. We do not sell or share them.
